OUR STORY

A 20-year journey of growth

Study.Care was founded in 2006 in Baku, originally as an English language institution.

Following a rebranding in 2008, the company expanded into the study abroad sector under the **AzeriStudent** brand.

Over the years, our presence has grown beyond borders, with offices opening in multiple countries.

Today, **Study.Care** stands as more than a company — it has evolved into a multi-layered education platform operating across different countries.

STUDY.CARE ECOSYSTEM

A unified platform for education services

The Study.Care ecosystem is designed to support students at every stage of their journey — from A to Z. From A-Level schooling required for university admission, to preparation for English, Chinese, and Korean language exams, to hosting a wide range of international examinations and connecting students with universities through our education fairs — every element is built to deliver a complete and seamless experience.

Study Abroad

The **Study.Care ecosystem** is designed to support students at every stage of their journey — from A to Z. It includes A-Level education required for university admission, preparation for English, Chinese, and Korean language exams, the administration of a wide range of international examinations, and opportunities to connect students with universities through our education fairs.

STUDYCARE INTERNATIONAL FAIRS

International education fairs organized by **Study.Care** create direct connections between students and universities. These fairs are held twice a year across five countries, bringing together hundreds of university representatives and tens of thousands of students.

CAMBRILEARN

Cambrilearn is an online school platform offering international academic programs. It provides students with the opportunity to study A-Level and other globally recognized academic programs.

ENGLISSHE

Englisshe is an education platform focused on language training and academic preparation. By expanding its services to include education opportunities in Asia and Australia, the group has entered the Asian market. Here, students can learn not only English but also Chinese and Korean, and prepare for exams such as **TOEFL, SAT, IELTS, Duolingo, ACT, HSK, China's internal exams, and TOPIK.**

Study Abroad

Azeri Student

Since 2008, AzeriStudent has been one of the largest and longest-operating study abroad companies in Azerbaijan.

We are the only company in the market that provides commission-free study abroad services. Today, we are proud to support not only our students but also the next generation — guiding the children of our former students toward international education.

Our company sends students to all developed countries worldwide, offering a truly global education pathway.

With established branches across multiple countries, we continue to successfully replicate and scale the proven system we built in Azerbaijan, powered by a team that has been carefully developed and strengthened over the years.

Our international offices include:

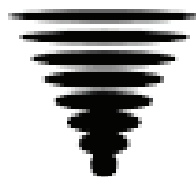

- StudyCare Morocco
- StudyCare Georgia
- StudentStudy Ukraine
- StudyCare Uzbekistan
- StudyCare Kyrgyzstan

TESTIMONIALS

Latifa Qarayeva, University of Amsterdam (full review) “After successfully completing 11 years of education, I continued my studies at the Faculty of Law with the help of the Azeri Student Company at the University of Amsterdam, which is one of the top 100 in the world.”

Camil Alizade, Northeastern University College of Computer and Information Science, US (full review) “First of all, I would like to thank your company for carrying out all the processes quickly and without problems.”

Rasif Alekperov, London School of Economics, UK (full review) “Without your help, this would not be possible. Finally, my long-cherished dream came true — the London School of Economics accepted me as a student.”

Leyla Xanakhmad, Les Roches International School of Hotel Management, Switzerland (full review) “My acquaintance with Azeri Student allowed me to take one of the most significant steps in my life. Thus, Azeri Student, as the biggest shareholder in the realization of my childhood dream, gave a serious impetus to my study abroad.”

Anar Ismayilov, Coventry University, UK (full review) “After winning the competition and getting the opportunity to study abroad, new perspectives opened to me. However, due to my lack of experience, it was a big question for me which way to take the first steps to implement these prospects.”

Klea Mersi, University of Law, UK Study Care is the right choice I made to finalize my studies abroad. Admission from the University of Law and obtaining a visa on time was made possible by the professionalism of the Study Care office and the dedication of my agent Cindy. I suggest Study Care to all students who want to continue their studies abroad.

To whom it may concern,

I am writing to commend Mr Rasim Allahverdiyev, the CEO of Azeri Student agency, with head office located at Nobel Avenue 15, Azure Business Centre 20th Floor, Office 135, Baku, Azerbaijan.

I attended the education fair organised by Azeri Student in October 2024. The event was not only well-organised but also highly effective in fostering engagement between educators and prospective students. Azeri Student's meticulous care in guiding students through the recruitment process to universities significantly contributed to its success.

I am confident that Azeri Student's expertise and dedication will continue to positively impact to your institution. Their contributions to education and student support make them a valuable partner.

Please do not hesitate to contact me, should you have any questions or require additional information.

Yours faithfully,
